

Favours Received

We Mr. Benny & Mrs Cicy Benny prayed to Fr. Dunstan (CMJ) Olakkengil for our daughter Mrs. Sruthy Ajith for a long time to conceive a child for the family. For nine years throughout we prayed for the same. Informed by the cmc sisters we came to know about Fr. Dunstan Olakkengil CMJ and we asked his intercession for our daughter. Days after, while we are on the way from Tirupur to Thirissur we decided to visit the tomb of Fr. Dunstan and pray for our intension. We came across the fathers of Bharathmatha Ashram and they all assured their prayers for our family.

As we entered the cemetery of the Ashram (Palakkad) we received a phone call from Bangalore - ie from Sruthy mol, that her pregnancy is confirmed. But the doctors instructed her to wait for the further result for three months for the confirmation, to know the clearance of the heart beat of the child. We still continued to pray to Fr. Dunstan Olakkengil CMJ.

By the grace of God and the intercession of Fr. Dunstan Olakkengil CMJ our daughter Sruthy Ajith gave birth to a healthy babe boy on ^{Sept 2nd 2025} and was baptized on 27th January 2025 by the Bishop Joy Alappat, Chicago. at St. Annis B. Church - Thirissur.

We express our witness and Thanks for the favours received through the intercession of Fr. Dunstan Olakkengil CMJ.
